ABOUT US

Company Profile

Founded in 2006, Shenzhen Yongjiaxin Gift Packaging Co., Ltd. is an innovative enterprise specializing in cross-border e-commerce and gift packaging solutions. Since its establishment, the company has been dedicated to the gift packaging industry. Focus creates professionalism.

Our packaging products are widely used for cosmetics, jewelry, electronic accessories, stationery, toys, craft gifts, home products, food packaging, sports & leisure items, travel products, promotional gifts, and more.

Our products are exported to over 30 countries and regions, including Europe, America, and the Middle East. We are an integrated enterprise specializing in product development, manufacturing, and sales. With 20 years of industry experience, we have built a highly skilled and professional team through continuous improvement and dedication.

We uphold the philosophy of win-win cooperation and integrity-based management. Through continuous innovation, advanced management systems, professional technology, excellent service, and outstanding quality, we strive to create long-term value for our customers.

We are committed to connecting with customers through strong capabilities and reliable services. Customer satisfaction is always our ultimate goal.
